DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3, 5-10, 12 and 14-19 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Re claims 11-3, 5-10, 12 and 14-19, prior arts do not teach or suggest the combination of first and second clamp members including an extension section projecting in a direction transverse to a longitudinal axis of a passageway provided by cooperating first and second members.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments

3. Applicant's arguments and amendment filed 1/14/05 have been fully considered and the examiner finds the argument persuasive. The applicant has argued that it would take more than a mere arrangement of parts for Hawkins to form the clamp claimed by the applicant.
